Ottawa August 9th 1846

Mr Gooding Chief Engineer

Ill & Michigan al

Dear Sir

This Evening iye was informed that Section No 139 was to be let amongst other works if so I wish you would do all in your power to get it For me as there is Some Rock in it that would keep my forces to work this winter, you know that I Need all assistance You Can give me to Enable me to pay up my Subscripsion, I Could allso Controul the wages Better on this part of the line than if others got the work, Stone work I do not ask for as You know I dont understand it

Respectfully yours &c
Jeremiah Crotty
