

## STATE CENTRAL COMMITTEES

---

The General Assembly revised the Election Code, offering an alternative composition of each State Central Committee. Since January 1984, the State Central Committee of each political party may choose to: 1) elect one central committeeman from each congressional district; or 2) elect one male and one female committeeman from each congressional district. As a result, the Democratic Party has chosen to elect one female and one male from each congressional district, while the Republican Party has opted for one central committeeman per congressional district.
