Old Route 66 winds its way from the shores of Lake Michigan through central Illinois and crosses the Mississippi River at St. Louis as it continues west. Along its path, historians and Route 66 buffs can enjoy quaint diners and shops, where time stands still somewhere in the '50s-'60s. The annual Route 66 Festival in Springfield draws thousands of people from across the country to relive the era and share their appreciation for the state's — and the nation's — most popular ribbon of highway.

I am pleased to offer Illinois motorists the opportunity to support the portion of historic Route 66 that cuts through Illinois by providing Illinois Route 66 License Plates. By purchasing these plates you can help support the development of tourism through education and interpretation, preservation and promotion of Old Route 66 in Illinois.

If you are a Route 66 enthusiast, I encourage you to join others who have taken advantage of this unique opportunity to show their support of this famous highway and ensure that its history is preserved for generations to come.
