INTRODUCTION

The Illinois Register is the official state document for publishing public notice of rulemaking activity initiated by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category.

Rulemaking activity consists of proposed or adopted new rules; amendments to or repeaters of existing rules; and rules promulgated by emergency or peremptory action. Executive Orders and Proclamations issued by the Governor; notices of public information required by State Statute; and activities (meeting agendas; Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State Agencies; is also published in the Register.

The Register is a weekly update of the Illinois Administrative Code (a compilation of the rules adopted by State agencies). The most recent edition of the Code, along with the Register, comprise the most current accounting of State agencies’ rulemakings.

The Illinois Register is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act [5 ILCS 100/1-1, et seq.].

c) When the re-examination is conducted by an agency other than the Department, the agency shall forward the results of the re-examination to the Department within 5 days.

a) A written protective plan shall be developed by the licensing representative or child protective service worker, and approved by the licensing supervisor, that restricts contact between the licensee or permit holder, a household member, volunteer or employee of the program or facility and children cared for in the program or facility when:

1) a pending formal child protection investigation names the individual as an alleged perpetrator;

Section 383.50 Corrective Plan

a) A corrective plan is a written document approved by the licensing supervisor that lists violations of licensing standards and/or the Child Care Act, the actions to be taken by the licensee or permit holder to correct the violations, and the time frames for correcting the violations.

b) A corrective plan is required when the licensing representative documents one or more violations and the violations are not corrected while the licensing representative is still on site at the program or facility and the licensee or permit holder can correct the violations within 60 days (the licensing supervisor may approve more than 60 days).

c) A corrective plan is not required when the supervising agency determines that the violations are not capable of being corrected.

d) A corrective plan is not required when the Department is issuing an administrative order of closure.

e) Failure by the licensee or permit holder to submit or comply with a corrective plan may result in further enforcement action.

Section 383.55 Supervisory Review

2) when there is a disagreement regarding the application or interpretation of a specific Section of the Child Care Act or a licensing standard when substantiating a violation; or

3) when the licensing supervisor believes that a supervisory review will be helpful to address ongoing issues with the licensee or permit holder.

b) A supervisory review shall not be conducted to review a criminal conviction that constitutes a bar to licensure pursuant to Section 4.2(b) of the Child Care Act.

1) documented sufficient evidence to substantiate the violation; and

2) correctly interpreted and/or applied the Child Care Act or licensing standards in substantiating a violation.

f) The licensing supervisor shall overturn the questioned violation when the licensing representative:

1) did not obtain and/or document sufficient evidence to substantiate the violation; or

2) misinterpreted and/or misapplied the Child Care Act or licensing standards.
g) The licensing supervisor shall prepare a written report summarizing the information presented at the supervisory review and make findings regarding each disputed violation. The report shall be provided to the licensee or permit holder by hand delivery or regular mail.

Section 383.60 Informal Review

a) The purpose of an informal review is to:

1) allow the Department to gather the facts regarding the failure of the licensee or permit holder to submit a corrective plan or comply with the terms of a corrective plan or protective plan; and

2) provide the licensee or permit holder an opportunity to demonstrate why the Department should not immediately initiate further enforcement action.

b) Informal reviews are conducted by the Department's licensing administrators. A non-Department supervising agency shall refer all requests for informal reviews to the Department.

c) The licensee or permit holder shall not be offered an informal review when the Department will be issuing or has issued an administrative order of closure.

d) An informal review is not required:

1) to review a criminal conviction that constitutes a bar to licensure pursuant to Section 4.2(b) of the Child Care Act; or

2) when the Department determines that a violation cannot be corrected (e.g., extended incarceration of licensee) or it is not feasible to correct the violation.

e) Except as provided in subsections (c) and (d), the licensing administrator shall notify the licensee or permit holder, by certified mail, of the right to request an informal review when the Department intends to initiate further enforcement action.

2) that the licensee or permit holder did not correct all of the violations according to the corrective plan, but there were mitigating reasons for the licensee's or permit holder's failure to do so and the Department is satisfied that the facility and responsible persons reasonably meet the licensing standards prescribed for the facility type;

3) that the licensee or permit holder had not been offered a corrective plan prior to the informal review and it is appropriate to offer an initial corrective plan at this time; and/or

g) The Department shall not issue a conditional license to the holder of a permit.

Section 383.85 Notice of Intent to Revoke, Refuse to Renew, or Refuse to Issue Full License

a) The Department shall provide written notice to a licensee or permit holder of intent to revoke a license, refuse to renew a license or refuse to issue a full license to a permit holder. b) The notice shall state:

1) the Department's intended action and a short and plain statement of the matters that are the basis for the Department's action (the latter element may be satisfied by attaching a statement of charges);

2) that the licensee or permit holder may request an administrative hearing if the licensee or permit holder disagrees with, and wishes the appointment of an Administrative Law Judge to review, the Department's intended action; and

d) If the licensee or permit holder does not request an administrative hearing within the time frame set forth in this Section, or if the Department determines, upon holding an administrative hearing pursuant to Subpart C of this Part, that the license should be revoked or the renewal or full license denied, then the license shall be revoked or the renewal or full license shall be denied.

g) When a surrender of a license or permit occurs after the Department has offered an informal review or issued an administrative order of closure, but before the Department has issued a notice of intent to revoke, refusal to renew, or refusal to issue full license, the Department shall notify the licensee or permit holder, in writing, that the surrender shall be construed as a "surrender with cause".

h) Surrender of a license or permit after the Department has issued a notice of intent described in Section 383.85 of this Part shall be deemed an abandonment of the licensee's or permit holder's right to seek review of the decision under Subpart C of this Part, and the license or permit shall be revoked or the renewal or full license shall be denied.

d) At the conclusion of the licensing complaint investigation, the licensing representative shall determine whether the program or facility is subject to licensure by the Department and is operating without a valid permit or license, or is exempt from licensure under the Child Care Act, and shall document this finding.

A facility closed under this Section may not operate during the pendency of any proceeding for the judicial review of the decision of the Department to issue an order of closure or to revoke or refuse to renew the license, except under court order.* [225 ILCS 10/11.2]

Section shall be allowed only for the period that such payments are due. The Department shall enter administrative support orders that contain provisions for an automatic increase in the support obligation upon termination of such payment period.

C) The above guidelines shall be applied in each case unless the Department finds that application of the guidelines would be inappropriate after considering the best interests of the child in light of evidence including but not limited to one or more of the following relevant factors:

  i) the financial resources and needs of the child;

  ii) the financial resources and needs of the custodial parent;

  iii) the standard of living the child would have enjoyed had the marriage not been dissolved, the separation not occurred or the parties married;

  iv) the physical and emotional condition of the child, and his educational needs; and

  v) the financial resources and needs of the non-custodial parent.

D) Each order requiring support that deviates from the guidelines shall state the amount of support that would have been required under the guidelines. The reason or reasons for the variance from the guidelines shall be included in the order.

3) In cases referred for judicial action under subsection (e) of this Section, the Department's legal representative shall ask the court to determine the amount of child support due in accord with Section 505 and medical support in accordance with Section 505.2 of the Illinois Marriage and Dissolution of Marriage Act [750 ILCS 5/505].

4) All orders for support shall include a provision for the health care coverage of the child. In all cases where health insurance coverage is not being furnished by the responsible relative to a child to be covered by a
NOTICE OF PROPOSED AMENDMENTS

support order, the Department shall enter administrative, or request the court to enter, support orders requiring the relative to provide such coverage when a child can be added to an existing insurance policy at reasonable cost or indicating what alternative arrangement for health insurance coverage is being provided. Net income shall be reduced by the cost thereof in determining the minimum amount of support to be ordered.

5) When proceeding under subsection (d) of this Section, the Department shall, in any event, notwithstanding other provisions of this subsection (c) and regardless of the amount of the responsible relative's net income, order the responsible relative to pay child support of at least $10.00 per month.

56) In cases where the net income of the responsible relative cannot be determined because of default or any other reason, the Department shall order or request the court to order the responsible relative to pay retroactive support for the prior period in the amount of the child's needs as defined by subsection (a)(5)(A) or (B) of this Section.

62) The final order in all cases shall state the support level in dollar amounts.

78) If there is no net income because of the unemployment of a responsible relative who resides in Illinois and is not receiving General Assistance in the City of Chicago and has children receiving cash assistance in Illinois, the Department, when proceeding under subsection (d) of this Section, shall order, or, when proceeding under subsection (e) of this Section, shall request the court to order the relative to report for participation in job search, training or work programs established for such relatives. In TANF cases, the Department shall order, when proceeding under subsection (d) of this Section, or, when proceeding under subsection (e) of this Section, shall request the court to order payment of past-due support pursuant to a plan and, if the responsible relative is unemployed, subject to a payment plan and not incapacitated, that the responsible relative participate in job search, training and work programs established under Section 9-6 and Article IXA of the Illinois Public Aid Code [305 ILCS 5/9-6 and Art. IXA].

89) The Department shall enter administrative support orders, or request the court to enter support orders, that include a provision requiring the

responsible relative to notify the Department, within seven days:

A) of any new address of the responsible relative;

B) of the name and address of any new employer or source of income of the responsible relative;

C) of any change in the responsible relative's Social Security Number;

D) whether the responsible relative has access to health insurance coverage through the employer or other group coverage; and

E) if so, the policy name and number and the names of persons covered under the policy.

The Department shall enter administrative support orders, or request the court to enter support orders, that include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of majority or is otherwise emancipated. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. The provision of a termination date in the order shall not prevent the order from being modified.

The Department shall enter administrative support orders, or request the court to enter support orders, that include a statement that if there is an unpaid arrearage or delinquency equal to at least one month's support obligation on the termination date stated in the order for support or, if there is no termination date stated in the order, on the date the child attains the age of majority or is otherwise emancipated, then the periodic amount required to be paid for current support of that child immediately prior to that date shall automatically continue to be an obligation, not as current support but as periodic payment toward satisfaction of the unpaid arrearage or delinquency.

The Department shall enter administrative support orders, or request the court to enter support orders, that include provisions for retroactive support when appropriate.
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

NOTICE OF PROPOSED AMENDMENTS

A) In cases handled under subsection (d) of this Section, the Department shall order the period of retroactive support to begin with the later of two years prior to the date of entry of the administrative support order or the date of the married parties' separation (or the date of birth of the child for whom support is ordered, if the child was born out of wedlock) unless, in cases where the IV-D client has never received public assistance during the retroactive time period, the IV-D client waives, by notarized statement, all support during the retroactive support period.

B) In de novo hearings provided for in subsection (d)(5)(H) of this Section and 89 Ill. Adm. Code 104.102, the Department's hearing officer shall order the period of retroactive support to begin with the later of two years prior to the date of entry of the administrative support order or the date of the married parties separation (or the date of birth of the child for whom support is ordered, if the child was born out of wedlock), unless, in cases where the child was born out of wedlock, the hearing officer, after having examined the factors set forth in Section 14(b) of the Illinois Parentage Act of 1984 [750 ILCS 45/14] and Section 505 of the Illinois Marriage and Dissolution of Marriage Act [750 ILCS 5/505] decides that another date is more appropriate.

C) In cases referred for judicial action under subsection (e) of this Section, the Department's legal representative shall ask the court to determine the date retroactive support is to commence in accord with Article X of the Illinois Public Aid Code [305 ILCS 5/Art. X], Sections 510 and 505 of the Illinois Marriage and Dissolution of Marriage Act [750 ILCS 5/510 and 505], and Section 14(b) of the Illinois Parentage Act of 1984 [750 ILCS 45/14].

d) Administrative Process

1) Use of Administrative Process

A) Unless otherwise directed by the Department, the FSS shall establish support obligations of responsible relatives through the administrative process set forth in this subsection (d), in Title IV-D cases, wherein the court has not acquired jurisdiction previously, in
NOTICE OF PROPOSED AMENDMENTS

matters involving:

i) presumed paternity as set forth in Section 5 of the Illinois Parentage Act of 1984 [750 ILCS 45/5] and support is sought from one or both parents;

ii) alleged paternity and support is sought from the mother;

iii) an administrative paternity order entered under Section 160.61 and support is sought from the man determined to be the child's father, or from the mother, or both;

iv) an establishment of parentage in accordance with Section 6 of the Illinois Parentage Act of 1984 [750 ILCS 45/6]; and

v) an establishment of parentage under the laws of another state, and support is sought from the child's father, or from the mother, or both.

B) In addition to those items specified in subsection (b)(2) of this Section, the notice of support obligation shall inform the responsible relative of the following:

i) that the responsible relative may be required to pay retroactive support as well as current support; and

ii) that in its initial determination of child support under subsection (c) of this Section, the Department will only consider factors listed in subsections (c)(1)(A)(i) through (x) of this Section; and

iii) that the Department will enter an administrative support order based only on those factors listed in subsections (c)(1)(A)(i) through (x) of this Section; and

iv) that in order for the Department to consider other factors listed in subsection (c)(2)(C) of this Section, Section 14(b) of the Illinois Parentage Act of 1984 [750 ILCS 45/14], and Section 505 of the Illinois Marriage and Dissolution of
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

NOTICE OF PROPOSED AMENDMENTS

Marriage Act [750 ILCS 5/505], either the responsible relative or the client must request a de novo hearing within 30 days after mailing or delivery of the administrative support order; and

v) that both the client and the responsible relative have a right to request a de novo hearing within 30 days after the mailing or delivery of an administrative support order, at which time a Department hearing officer may consider other factors listed in subsection (c)(2)(C) of this Section, Section 14(b) of the Illinois Parentage Act of 1984 [750 ILCS 45/14], and Section 505 of the Illinois Marriage and Dissolution of Marriage Act [750 ILCS 5/505]; and

vi) that unless the client and/or the responsible relative requests a de novo hearing within 30 days after the order's mailing or delivery, the administrative support order will become a final enforceable order of the Department; and

vii) that upon failure of the responsible relative to appear for the interview or to provide necessary information to determine net income, an administrative support order may be entered by default or the Department may seek court determination of financial ability based upon the guidelines.

2) The FSS shall determine the ability of each responsible relative to provide support in accordance with subsection (c) of this Section when such relative appears in response to the notice of support obligation and provides necessary information to determine net income. An administrative support order shall be entered which shall incorporate the resulting support amount therein. The FSS shall also determine (and incorporate in the administrative support order) the amount of retroactive support the responsible relative shall be required to pay by applying the relative's current net income (unless the relative provides necessary information to determine net income for the prior period) to the support guidelines in accordance with subsection (c) of this Section. The FSS shall reduce the total amount of retroactive support determined by the amount of cash contributions made by the responsible relative to the IV-D
client for the benefit of the child during the retroactive period as specified in the IV-D client's affidavit of direct contribution. In no event shall credit be given in excess of the total amount of the retroactive support determined.

3) Failure to Appear

A) In instances in which the responsible relative fails to appear in response to the notice of support obligation or fails to provide necessary information to determine net income, the FSS shall enter an administrative support order by default, except as provided in subsection (d)(3)(D) of this Section. The terms of the order shall be based upon the needs of the child for whom support is sought, as defined by subsection (a)(5) of this Section. No default order shall be entered when a responsible relative fails to appear at the interview unless the relative shall have been served as provided by law with a notice of support obligation.

B) The FSS may issue a subpoena to a responsible relative who fails to appear for interview, or who appears and furnishes income information, when the FSS has information from the Title IV-D client, the relative's employer or any other reliable source indicating that:

i) financial ability, as determined from the guidelines contained in subsection (c) of this Section, exceeds the amount indicated in case of default, as indicated in subsection (d)(3)(A) of this Section; or

ii) income exceeds that reported by the relative.

C) The FSS will not issue a subpoena under subsection (d)(3)(B) of this Section where the information from the Title IV-D client, the responsible relative's employer or other source concerning the relative's financial ability is verified through documentation such as payroll records, paycheck stubs or income tax returns.

D) In instances in which the relative fails or refuses to accept or fully respond to a Department subpoena issued to him pursuant to
subsection (d)(3)(B) of this Section, the FSS may enter a temporary administrative support order by default, in accordance with subsection (d)(3)(A) of this Section, and may then, after investigation and determination of the responsible relative's financial ability to support, utilizing existing State and federal sources (for example, Illinois Department of Employment Security), client statements, employer statements, or the use of the Department's subpoena powers, enter a support order in accord with subsection (c)(1) of this Section.

4) The Department shall register, enforce or modify an order entered by a court or administrative body of another state, and make determinations of controlling order where appropriate, in accordance with the provisions of the Uniform Interstate Family Support Act [750 ILCS 22].

5) An administrative support order shall include the following:

A) the Title IV-D case name and identification number;

B) the names and birthdates of the persons for whom support is ordered;

C) the beginning date, amount and frequency of support;

D) any provision for health insurance coverage ordered under subsection (c)(4) of this Section;

E) the total retroactive support obligation and the beginning date, amount (which shall not be less than 20 percent of the current support amount) and frequency of payments to be made until the retroactive support obligation is paid in full or the statement that the IV-D client has signed a statement waiving all rights to retroactive support;

F) the amount of any arrearage that has accrued under a prior support order and the beginning date, amount (which shall not be less than 20 percent of the support order) and frequency of payments to be made until the arrearage is paid in full;
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

NOTICE OF PROPOSED AMENDMENTS

G) a provision requiring that support payments be made to the State Disbursement Unit;

H) a statement informing the client and the responsible relative that they have 30 days from the date of mailing of the administrative support order in which to petition the Department for a release from or modification of the order and receive a hearing in accordance with 89 Ill. Adm. Code 104.102 and subsection (c)(2) of this Section, except that for orders entered as a result of a decision after a de novo hearing, the statement shall inform the client and the responsible relative that the order is a final administrative decision of the Department and that review is available only in accord with provisions of the Administrative Review Law [735 ILCS 5/Art III];

4) In any case where the administrative paternity process has been initiated for the custodial parent and the non-marital child, and the custodial parent and the non-marital child move outside the original county, the paternity determination case shall remain in the original county of venue unless a transfer to another county of proper venue is requested by either party and the hearing officer assigned to the original county finds that a change of venue would be equitable and not unduly hamper the administrative paternity process.

g) In cases in which a final administrative determination of paternity is pending, but there is clear and convincing evidence of paternity based upon the results of genetic testing and upon motion of a party, the Department shall enter a temporary order for support in the manner provided for in Section 160.60.

h) The Department shall notify the Department of Public Health of final administrative paternity determinations, voluntary acknowledgments of paternity, denials of paternity and rescissions of paternity.

law for failure to withhold and pay over income and for discharging, disciplining, refusing to hire, or otherwise penalizing the obligor because of the duty to withhold and pay over income; and

H) state the rights, remedies, and duties of the obligor, as provided by law; and

I) include the Social Security Numbers of the obligor, the obligee, and the child or children included in the order for support; and

J) include the date withholding for current support terminates, which shall be the date of termination of the current support obligation set forth in the order for support; and

3) Notwithstanding the exception to immediate income withholding referred to in subsection (b)(1)(A) of this Section, if the court finds at the time of any hearing that an arrearage has accrued, the Department, through its legal representative, shall request that the court order immediate service of an income withholding notice upon the payor, as required by law.

c) Service of Income Withholding Notice

1) If the order for support requires immediate service of an income withholding notice, the Department shall serve the notice on the payor within two business days after the date the order is received if the payor's address is known on that date, or, if the address is unknown on that date, within two business days after locating the payor's address. If the
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

Department receives the payor's address from the Illinois Directory of New Hires, as established under Section 1801.1 of the Unemployment Insurance Act [820 ILCS 405/1801.1], the Department shall serve an income withholding notice and, where applicable, a National Medical Support Notice, on the payor within two business days after the date information regarding the obligor and payor is entered into the Illinois Directory of New Hires.

2) The Department may serve the income withholding notice on the payor or its superintendent, manager, or other agent by ordinary mail or certified mail, return receipt requested, by facsimile transmission or other electronic means, by personal delivery, or by any method provided by law for service of a summons. At the time of service on the payor and as notice that withholding has commenced, the Department shall serve a copy of the income withholding notice on the obligor by ordinary mail addressed to his or her last known address. A copy of the income withholding notice together with proofs of service on the payor and the obligor shall be filed by the Department with the Clerk of the Circuit Court.

3) Notwithstanding the fact that the order for support, under the exception to immediate withholding referred to in subsection (b)(1)(A) of this Section, provides that an income withholding notice is to be prepared and served only if the obligor becomes delinquent in paying the order for support, the Department shall serve an income withholding notice on the payor prior to accrual of a delinquency if the obligor executes a written waiver of that condition and requests immediate service on the payor.

4) At any time after the initial service of an income withholding notice, the Department may serve any other payor of the obligor with the same income withholding notice without further notice to the obligor. A copy of the income withholding notice together with a proof of service on the other payor shall be filed with the Clerk of the Circuit Court.

d) Income Withholding After Accrual of Delinquency

1) The Department shall prepare and serve an income withholding notice within two business days after the date the obligor accrues a delinquency if the payor's address is known on that date, or, if the address is unknown
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

NOTICE OF PROPOSED AMENDMENTS

on that date, within two business days after locating the payor's address. If the payor's address is unknown on the date the obligor accrues a delinquency, and the Department receives the payor's address from the Illinois Directory of New Hires, the Department shall serve an income withholding notice on the payor within two business days after the date information regarding the obligor and payor is entered into the Illinois Directory of New Hires.

2) An income withholding notice prepared by the Department under subsection (d)(1) of this Section shall:

A) contain the information required under subsection (b)(2) of this Section; and

3) The obligor may contest withholding commenced under this subsection (d) by filing a petition to contest withholding with the Clerk of the Circuit Court within 20 days after service of a copy of the income withholding notice on the obligor. However, as required by law, the grounds for the petition to contest withholding shall be limited to:

A) a dispute concerning the existence or amount of the delinquency; or

B) the identity of the obligor.

4) The accrual of a delinquency as a condition for service of an income withholding notice, under the exception to immediate withholding referred to in subsection (b)(1)(A) of this Section, shall apply only to the initial service of an income withholding notice on a payor of the obligor.
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

NOTICE OF PROPOSED AMENDMENTS

e) Initiated Withholding

1) Notwithstanding any other provision of this Section, if the court has not required that income withholding take effect immediately, the Department, pursuant to this subsection (e), may initiate withholding regardless of whether a delinquency has accrued, by preparing and serving an income withholding notice on the payor that contains the information required under subsection (b)(2) of this Section and states that the parties' written agreement providing an alternative arrangement to immediate withholding under subsection (b)(1)(A) of this Section no longer ensures payment of support, and the reason or reasons why it does not.

2) The income withholding notice and the obligor's copy of the income withholding notice shall be served as provided in subsection (c)(2) of this Section.

3) The obligor may contest withholding commenced under this subsection (e) by filing a petition to contest withholding with the Clerk of the Circuit Court within 20 days after service of a copy of the income withholding notice on the obligor. However, as required by law, the grounds for the petition to contest withholding shall be limited to a dispute concerning the conditions in subsections (e)(3)(A) and (B) of this Section (it shall not be grounds for filing a petition that the obligor has made all payments due by the date of the petition):

   A) whether the parties' written agreement providing an alternative arrangement to immediate withholding under subsection (b)(1)(A) of this Section continues to ensure payment of support; or

   B) the identity of the obligor.

f) Petitions to Modify, Suspend or Terminate an Order for Withholding

1) At any time the Department, through its legal representative, may petition the court to:

   A) modify, suspend or terminate the income withholding notice because of a modification, suspension, or termination of the
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

underlying order for support;

B) modify the amount of income to be withheld to reflect payment in full or in part of the delinquency or arrearage by income withholding or otherwise; or

C) suspend the income withholding notice because of inability to deliver income withheld to the obligee due to the obligee's failure to provide a mailing address or other means of delivery.

2) The Department shall serve on the payor, in the manner provided for service of income withholding notices in subsection (c)(2) of this Section, a copy of any order entered pursuant to this subsection (f) that affects the duties of the payor.

3) The Department may serve a notice on the payor to:

A) cease withholding of income for payment of current support for a child when the support obligation for that child has automatically ceased under the order for support through emancipation or otherwise; or

B) cease withholding of income for payment of delinquency or arrearage when the delinquency or arrearage has been paid in full.

4) The notice provided for under subsection (f)(3) of this Section shall be served on the payor in the manner provided for service of income withholding notices in subsection (c)(2) of this Section, and a copy shall be provided to the obligor and the obligee.

g) Additional Duties
The Department shall provide notice to the payor and Clerk of the Circuit Court of any other support payment made, including but not limited to:

1) an offset under federal or State law; or

2) partial payment of the delinquency or arrearage or both.

h) Alternative Procedures for Service of an Income Withholding Notice
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

NOTICE OF PROPOSED AMENDMENTS

1) The procedures of this subsection (h) shall be used by the Department in any matter to serve an income withholding notice on a payor if:

A) For any reason the most recent order for support entered does not contain the income withholding provisions stated in subsection (b) of this Section, irrespective of whether a separate order for withholding was entered prior to July 1, 1997; and

B) The obligor has accrued a delinquency after entry of the most recent order for support.

2) The Department shall prepare and serve the income withholding notice in accordance with the provisions of subsection (d) of this Section, except that the notice shall contain a periodic amount for payment of the delinquency equal to 20 percent of the total of the current support amount and the amount to be paid periodically for payment of any arrearage stated in the most recent order for support.

3) If the obligor requests in writing that income withholding become effective prior to the obligor accruing a delinquency under the most recent order for support, the Department shall prepare and serve an income withholding notice on the payor as provided in subsections (b) and (c) of this Section. In addition to filing proofs of service of the income withholding notice on the payor and the obligor, the Department shall file a copy of the obligor's written request for income withholding with the Clerk of the Circuit Court.

i) Notice to Payor
Whenever the Department serves an income withholding notice on a payor, notice of the following shall be included in or with the income withholding notice:

1) that the payor must begin deducting no later than the next payment of income which is payable or creditable to the obligor that occurs 14 days following the date the income withholding notice was mailed, sent by facsimile or other electronic means, or placed for personal delivery to or service on the payor;

2) that the payor must pay the amount withheld to the State Disbursement

Unit within seven business days after the date the amount would (but for the duty to withhold income) have been paid or credited to the obligor;

3) that if the payor knowingly fails to withhold the amount designated in the income withholding notice or to pay any amounts withheld to the State Disbursement Unit within seven business days after the date the amount would have been paid or credited to the obligor, the payor is subject to a penalty of $100 for each day that the amount designated in the income withholding notice (whether or not withheld by the payor) is not paid to the State Disbursement Unit after the period of seven business days has expired;

4) that the payor may combine all amounts withheld for the benefit of an obligee or public office into a single payment and transmit the payment with a listing of obligors from whom withholding has been effected;

5) that for each deduction the payor must provide the State Disbursement Unit at the time of transmittal, with the date the amount would (but for the duty to withhold income) have been paid or credited to the obligor;

6) that for withholding of income, the payor is entitled to a fee not to exceed $5 per month to be taken from the income to be paid to the obligor;

7) that the amount actually withheld for support, the child's health insurance premium and payor withholding fee shall not exceed the maximum amount permitted under the federal Consumer Credit Protection Act. Income available for withholding shall be applied first to the current support obligation, then to any premium required for employer, labor union, or trade union-related health insurance coverage ordered under the order for support, and then to payment required on past due support obligations. If there is insufficient available income remaining to pay the full amount of the required health insurance premium after withholding of income for the current support obligation, then the remaining available income shall be applied to payments required on past due support obligations;

8) require that whenever the obligor is no longer receiving income from the payor, the payor must return a copy of the income withholding notice to the Department and provide the obligor's last known address and the name
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

NOTICE OF PROPOSED AMENDMENTS

and address of the obligor's new payor, if known;

9) that withholding of income under the income withholding notice must be made without regard to any prior or subsequent garnishments, attachments, wage assignments, or any other claims of creditors;

10) that the income withholding notice is binding upon the payor until service of an order of the court or a notice from the Department or Clerk of the Circuit Court;

11) that the payor is subject to a fine of up to $200 for discharging, disciplining or otherwise penalizing an obligor because of the duty to withhold income;

12) that if the payor willfully fails to withhold or pay over income pursuant to a properly served income withholding notice that the payor is liable for the total amount that the payor willfully failed to withhold or pay over;

13) that if the payor has been served with more than one income withholding notice pertaining to the same obligor, the payor shall allocate income available on a proportionate share basis, giving priority to current support payments; and

14) that a payor who complies with an income withholding notice that is regular on its face is not subject to civil liability with respect to any individual, any agency, or any creditor of the obligor for conduct in compliance with the notice.

j) Notice to Obligor

When the Department serves a copy of the income withholding notice on the obligor as required under this Section, notice of the following shall be included in or with the obligor's copy of the income withholding notice:

1) that income withholding has commenced;

2) the information provided to the payor under subsection (i) of this Section;

3) the procedures and the permissible grounds for contesting withholding commenced under subsection (d), (e) or (h) of this Section, as applicable;
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

NOTICE OF PROPOSED AMENDMENTS

4) that at any time the obligor may petition the court to:

A) modify, suspend or terminate the income withholding notice because of a modification, suspension or termination of the underlying order for support; or

B) modify the amount of income to be withheld to reflect payment in full or in part of the delinquency or arrearage by income withholding or otherwise; or

C) suspend the income withholding notice because of inability to deliver income withheld to the obligee due to the obligee's failure to provide a mailing address or other means of delivery; or

D) correct a term contained in an income withholding notice to conform to that stated in the underlying order for support for:

i) the amount of current support;

ii) the amount of the arrearage;

iii) the periodic amount for payment of the arrearage; or

iv) the periodic amount for payment of the delinquency;

5) that the obligor is required by law to notify the obligee, the Department, and the Clerk of the Circuit Court of any new address or payor within seven days after the change; and

6) that where a payor willfully discharges, disciplines, refuses to hire or otherwise penalizes an obligor because of the duty to withhold income, the obligor may file a complaint with the court against the payor, and that the court may order employment or reinstatement of or restitution to the obligor, or may impose a fine upon the payor not to exceed $200.

k) Penalties
In cases where a payor willfully fails to withhold or pay over income, pursuant to a properly served income withholding notice, or otherwise fails to comply with
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

NOTICE OF PROPOSED AMENDMENTS

any income withholding duties imposed by law, the Department, through its legal representatives, may request that the court:

1) enter judgment and direct the enforcement thereof for the total amount that the payor willfully failed to withhold or pay over;

2) impose a penalty or fine upon the payor or invoke any other remedy allowed by law.

l) Interstate Income Withholding
Within the timeframes specified in subsections (c)(1) and (d)(1) of this Section, and pursuant to the provisions of the Uniform Interstate Family Support Act [750 ILCS 22], the Department shall engage income withholding in cases in which the obligor is receiving income from a payor located in another state.

m) Use of National Medical Support Notice to Enforce Health Insurance Coverage

1) When an order for support is being enforced by the Department under this Section, any requirement for health insurance coverage to be provided through an employer, including withholding of premiums from the income of the obligor, shall be enforced through use of a National Medical Support Notice.

2) A National Medical Support Notice shall be served on the employer in the manner and under the circumstances provided for serving an income withholding notice under this Section, except that an order for support that conditions service of an income withholding notice on the obligor becoming delinquent in paying the order for support shall not prevent immediate service of a National Medical Support Notice by the Department. The Department may serve a National Medical Support Notice on an employer in conjunction with service of an income withholding notice. Service of an income withholding notice is not a condition for service of a National Medical Support Notice, however.

3) At the time of service of a National Medical Support Notice on the employer, the Department shall serve a copy of the Notice on the obligor by ordinary mail addressed to the obligor's last known address. The Department shall file a copy of the National Medical Support Notice, together with proofs of service on the employer and the obligor, with the
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

clerk of the circuit court.

4) Within 20 business days after the date of a National Medical Support Notice, an employer served with the Notice shall transfer the severable notice to plan administrator to the appropriate group health plan providing any health insurance coverage for which the child is eligible. As required in the part of the National Medical Support Notice directed to the employer, the employer shall withhold any employee premium necessary for coverage of the child and shall send any amount withheld directly to the plan. The employer shall commence the withholding no later than the next payment of income that occurs 14 days after the date the National Medical Support Notice was mailed, sent by facsimile or other electronic means, or placed for personal delivery to or service on the employer. Notwithstanding the requirement to withhold premiums from the obligor's income, if the plan administrator informs the employer that the child is enrolled in an option under the plan for which the employer has determined that the obligor's premium exceeds the amount that may be withheld from the obligor's income due to the withholding limitation or prioritization contained in Section 35 of the Income Withholding for Support Act, the employer shall complete the appropriate item in the part of the National Medical Support Notice directed to the employer according to the instructions in the Notice and shall return that part to the Department.

5) If one of the following circumstances exists, an employer served with a National Medical Support Notice shall complete the part of the Notice directed to the employer in accordance with the instructions in the Notice and shall return that part to the Department within 20 business days after the date of the Notice:

A) The employer does not maintain or contribute to plans providing dependent or family health insurance coverage.

B) The obligor is among a class of employees that is not eligible for family health insurance coverage under any group health plan maintained by the employer or to which the employer contributes.

C) Health insurance coverage is not available because the obligor is no longer employed by the employer.
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

NOTICE OF PROPOSED AMENDMENTS

6) The administrator of a health insurance plan to whom an employer has transferred the severable notice to plan administrator part of a National Medical Support Notice shall complete that part with the health insurance coverage information required under the instructions in the Notice and shall return that part to the Department within 40 business days after the date of the Notice.

7) The obligor may contest withholding under this Section based only on a mistake of fact and may contest withholding by filing a petition with the clerk of the circuit court within 20 days after service of a copy of the National Medical Support Notice on the obligor. The obligor must serve a copy of the petition on the Department at the address stated in the National Medical Support Notice. The National Medical Support Notice, including the requirement to withhold any required premium, shall continue to be binding on the employer until the employer is served with a court order resolving the contest or until notified by the Department.

8) Whenever the obligor is no longer receiving income from the employer, the employer shall return a copy of the National Medical Support Notice to the Department and shall provide information for the purpose of enforcing health insurance coverage under this Section.

9) The Department shall promptly notify the employer when there is no longer a current order for health insurance coverage in effect that the Department is responsible for enforcing.

10) Unless stated otherwise in this Section, all of the provisions of this Section relating to income withholding for support shall pertain to income withholding for health insurance coverage under a National Medical Support Notice, including but not limited to, the duties of the employer and obligor, and the penalties contained in Section 35 and Section 50 of the Income Withholding for Support Act. In addition, an employer who willfully fails to transfer the severable notice to plan administrator part of a National Medical Support Notice to the appropriate group health plan providing health insurance coverage for which a child is eligible, within 20 business days after the date of the Notice, is liable for the full amount of medical expenses incurred by or on behalf of the child which would have been paid or reimbursed by the health insurance coverage had the
NOTICE OF PROPOSED AMENDMENTS

severable notice to plan administrator part of the Notice been timely transferred to the group health insurance plan. This penalty may be collected in a civil action that may be brought against the employer in favor of the obligee or the Department.

11) When the administrator of a health insurance plan returns the severable notice to plan administrator portion of a National Medical Support Notice to the Department indicating that there is more than one option available for coverage of the child under the plan, the Department, within 20 days after the date the portion is returned, shall consult with the obligee, select from the available options, and inform the plan administrator of the option selected.

n) Refund of Improperly Withheld Amounts
The Department shall promptly refund to the obligor amounts found to have been improperly withheld from the obligor's income.

NOTICE OF PROPOSED AMENDMENTS

Section 2530.255 Types of Offenses

(a) Type I Offenses = Those offenses related to commercial/business activities covered under Timber Buyer, Taxidermist, Aquaculture, Aquatic Life Fish Dealer, Minnow Dealer, Mussel Dealer, Commercial Roe Dealer, Commercial Fisherman, Commercial Musselor, Commercial Roe Harvester, Game and Game Bird Breeder, Wild Game Food Dealer, Furbearing Animal Breeder, Fur Tanner or Migratory Waterfowl Hunting Area licenses and permits.

(b) Type II Offenses = All other offenses related to activities covered under licenses and permits. (Example: hunting, trapping, sport fishing, etc.)

Section 2530.260 Computation of Suspension Period

All offenses shall be classified by type and by group for computation of points.

(a) For Type I offenses, any person who, within an 18 month period, accumulates 13 or more points in a single group as set out in Section 2530.250 shall have all licenses, permits and stamps relevant to that type of activity revoked, and the person's privilege to engage in the activity shall be suspended for a period of time that equals one month for each point accumulated. All accumulated points shall remain in effect for 18 months from the date of the arrest that resulted in the point accumulation and shall not be removed or reduced by a period of suspension. Any second or subsequent suspension imposed upon an individual shall be served consecutively to any earlier suspension, if still in effect, commencing on the date the earliest suspension expires.

1) Example: An individual operates as a commercial game bird breeder and a migratory waterfowl hunting area, and is found guilty of violations relating to his/her commercial game bird breeding operation, resulting in points sufficient to result in revocation/suspension. A revocation shall only be imposed upon the individual's game bird breeding license and a suspension shall be imposed only upon the activities requiring that license.
DEPARTMENT OF NATURAL RESOURCES

NOTICE OF PROPOSED AMENDMENTS

All other businesses (in this instance, migratory waterfowl hunting area) may continue to operate.

2) Example: Found guilty of no taxidermy license and failure to keep proper records (both Class B Misdemeanors, normally 9 points each) as a result of a single incident. No revocation/suspension imposed, 12 points assessed.

3) Example: Found guilty of same violations as above (2 Class B Misdemeanors), but on different dates. Revocation/suspension shall be imposed, as full 18 points apply.

4) Example: Found guilty of buying timber without a license and failure to pay harvest fees (both Class A Misdemeanors, 12 points each). Revocation/suspension imposed, regardless of whether findings are the result of a single incident or separate occurrences, 24 points applied.

b) For Type II offenses: Any person who, within a 36 month period, accumulates 13 or more points in a single group as set out in Section 2530.250 shall have all licenses, permits and stamps relevant to that type and group revoked, and the person's privilege to engage in the activity covered by the type and group shall be suspended for a period of time that equals one month for each point accumulated. Lifetime licenses issued pursuant to 515 ILCS 5-20-45(f) shall only be revoked for felony violations or for violations committed during a period of suspension. The privileges of lifetime license holders shall be suspended, however, in accordance with the provisions of this Section. All accumulated points shall remain in effect for 36 months from the date of the arrest that resulted in the point accumulation and shall not be removed or reduced by a period of suspension. Any second or subsequent suspension imposed upon an individual shall be served consecutively to any earlier suspension, if still in effect, commencing on the date the earliest suspension expires.

1) Example: Found guilty of unlawful possession of freshly killed white-tailed deer during closed season (Class A Misdemeanor) and taking an over limit of quail (petty offense) – hunting license, trapping license, migratory waterfowl stamp and habitat stamp revoked – Type II privileges authorized under Group A suspended for 15 months from date of notice.

2) Example: Found guilty of a Class B Misdemeanor under the Wildlife
DEPARTMENT OF NATURAL RESOURCES

NOTICE OF PROPOSED AMENDMENTS

Code and a Class B Misdemeanor under the Fish Code – no revocation or suspension as there is no 13 point accumulation in any one group.

3) Example: Person in subsection (a) above completes 15 month suspension; two months later (less than 36 months from first violation) the person again commits unlawful possession of freshly killed white-tailed deer during closed season, for which person is found guilty – appropriate licenses and stamps revoked and person suspended for 27 months (15 + 12).

4) Example: Found guilty of two Class B Misdemeanors (normally 9 points each) and a petty offense (normally 3 points) under the Wildlife Code for violations arising out of a single incident – due to Single Incident Rule, reduced points are assessed (9 + 3) and 10 points are accumulated (9 + 1), no suspension is imposed.

5) Example: Person in subsection (a) is found guilty of a violation under the Wildlife Code that occurred during the time that the person's privileges were suspended – 60 additional points assessed and a second suspension is imposed, to run consecutively after the first suspension (75 months total).

Section 3025.60 Project Evaluation Priorities

The following factors are used by the Department in evaluating and recommending local project applications for funding assistance consideration (see Appendix A):

a) Statewide Outdoor Recreation Priorities – 60%
   1) Department Statewide Priorities – 35%
DEPARTMENT OF NATURAL RESOURCES

NOTICE OF PROPOSED AMENDMENTS

Projects are evaluated in terms of their ability to address major outdoor recreation and conservation issues identified by the Department in its "Statewide Outdoor Recreation Plan". These include, but are not limited to, natural area and wetland preservation, protection of endangered/threatened species and critical habitat resources, conservation education, creation of greenways and long distance trail corridors, water-based recreation, recreation for disadvantaged populations and adaptive re-use/redevelopment of urban lands, including brownfields. These priorities are listed in the Department's OSLAD Local Participation Grant Manual (20074/1/98 ed.; Illinois Department of Natural Resources Division of Grant Administration, One Natural Resources Way, Springfield IL 62702-1271).

2) Statewide Local Needs Assessment – 25%
Determination of local need is based on a comparison of:

A) existing local supply of recreation facilities per capita to the statewide median for those facilities as identified in the Department's "Statewide Outdoor Recreation Plan"; and

B) existing supply and distribution of open space and park land acreage, measured in acres/capita, to the statewide median and/or to locally adopted standards. Recreation needs based on project service area are also given consideration.

b) Project concept and site characteristics – 25%
The project proposal is evaluated in terms of the site's physical and aesthetic qualities, including accessibility; soil, topographic and hydrologic characteristics; site vegetation; compatibility with adjacent land uses; environmental intrusion on the site; impacts to cultural and natural resources; and the overall recreational diversity provided by the project.

c) Local Planning – 10%
The major consideration under this criteria is public support and input into the project plan and existence of a comprehensive local recreation and/or open space plan identifying the proposed project as a priority. Consideration is also given for unique recreation opportunities not specifically identified in a local plan but having documented widespread public support.
d) Other Considerations – 5%
Relevant factors considered in evaluating the overall merits of a project and need for funding include projects located in inner-urban areas; proposing initial site development; involving private donations; representing economic revitalization efforts; or from applicants not previously benefitting from OSLAD assistance.

e) Penalty Factors – (deduct up to 15%)
Consideration is given to the applicant's past performance in completing OSLAD or other Department grant projects or unresolved project violations, ability to properly maintain the project site, and failure to cooperate with the Department in completing the "Illinois Recreation Facilities Inventory" (IRFI).

f) Project Application Review and Grant Award:
Department grant staff, in consultation with executive and appropriate resource staff, reviews all applications in accordance with the established evaluation criteria. Preliminary recommendations are then submitted to the Department's "Natural Resource Advisory Board" for consideration at a public hearing conducted by the Board after which final recommendations are forwarded to the Director for OSLAD grant approval.

Section 3025.70 Program Compliance Requirements

a) Any property acquired or developed through assistance from the Illinois OSLAD grant program must be open to the public for outdoor recreation use as set forth in this Part without regard to race, color, creed, national origin, sex or disability nor on the basis of residence except to the extent that reasonable differences in user fees may be imposed amounting to no more than double the fees charged to residents. Land acquired with funding assistance from the OSLAD program shall be operated and maintained in perpetuity for public outdoor recreation use. Projects receiving development grant assistance only shall be bound by the terms of this Part for the period of time specified below for the total amount of OSLAD funds expended on the project:

for every $25,000 increment over $50,000

add 1 year

Property acquired or developed with OSLAD funds may not be converted to a use other than public outdoor recreation use as provided in this Part without prior Department approval. Approval for property conversion will be granted only if the project sponsor substitutes replacement property of at least equal fair market value and comparable outdoor recreation usefulness, quality and location.

b) For projects receiving acquisition assistance, an appraisal must be provided by the sponsoring agency and submitted to the Department for review and certification to establish the property’s fair market value. The appraisal must be completed to Department specifications.

c) For projects receiving development assistance, the sponsoring agency must possess either fee simple title or other means of legal control and tenure (easement, lease, etc.) over the property being improved for a period of time commensurate with the program amortization schedule shown in subsection (a), unless otherwise approved by the Department. The Department will consider, on a case-by-case basis, lease arrangements for shorter periods when State statute prohibits a unit of local government from entering into such a long-term agreement, or other circumstances beyond the control of the local unit of government prohibit such arrangements. The sponsor must also adhere to applicable State and local bidding and procurement requirements and make available to the Department, upon request, all working plans, specifications, contract documents and cost estimates for review prior to commencing work. The format for any advertisement or prospectus soliciting and inviting bids, indicating dates of same, must also be presented, upon request, to the Department for review prior to publication. The Department will notify the project sponsor if the proposed project requires approval from a registered structural engineer.

d) The local project sponsor is required to enter into an agreement with the Department for an amount agreed upon as necessary to complete the approved project, specifying the related grant reimbursement amount and program compliance regulations.

e) Upon project completion, the project sponsor must submit a certified project billing request (expenditure statement) listing/verifying all funds expended on the project for which grant reimbursement is sought, as well as required billing

documentation, as follows:

1) Acquisition Project: Proof of good faith negotiations or fair market value offer to land seller, copy of property deed and title insurance policy (Judgement Order in case of condemnation) showing ownership transferred to the local project sponsor, and copies of canceled checks showing proof of payment to seller.

2) Development Projects: Copy of construction As-Built drawings (no larger than 11" x 17") and verification of actual project costs.

f) All financial records on approved projects must be maintained and retained, in accordance with State laws, by the project sponsor for possible State audit for a period of five years after final reimbursement payment is made by the Department.

g) The sponsoring agency must permanently post an OSLAD grant acknowledgment sign at the project site. The necessary sign will be provided by the Department or specifications for its construction will be furnished to the local project sponsor, if requested.

h) Projects assisted with OSLAD grant funds shall be implemented in accordance with all applicable federal, State and local laws, ordinances and regulations relating to public agency expenditure of funds for public works projects.

i) It shall be understood by the project sponsor that a Department representative may make periodic inspections of the project as construction progresses and that a final inspection and acceptance of the completed project must be made by a representative or agent of the Department prior to final payment of grant reimbursement to the local sponsoring agency.

j) The sponsoring agency shall indemnify, protect, defend and hold harmless the Department from any and all liability, costs, damages, expenses, or claims thereof arising under, through or by virtue of the construction, operation and maintenance of OSLAD-assisted facilities.

k) In connection with and prior to the construction, and the subsequent operation and maintenance, of OSLAD-assisted facilities, it shall be understood that the project sponsor is responsible for obtaining any and all necessary construction permits,

licenses or forms of consent, as required by law. Failure to obtain any required permits may jeopardize approved grant funding.

l) The sponsoring agency must comply with and abide by the following operation and maintenance provisions:

1) All lands and facilities assisted with OSLAD funds shall be continuously operated and maintained by the sponsoring agency in a safe and attractive manner at no cost to the Department and be operated and utilized in such a manner as to maximize the intended benefits to and for the public.

2) The Department shall have access to OSLAD-assisted facilities at all times for inspection purposes to ensure the project sponsor's continued compliance with this Part.

3) The sponsoring agency may enter into a contract or agreement with responsible concessionaires to operate and/or construct facilities, for dispersing food to the public and/or any other services as may be desired by the public and the sponsoring agency for enjoyable and convenient use of the OSLAD-assisted site. Any and all concession revenue in excess of the costs of operation and maintenance of the OSLAD lands and/or facilities shall be used for the improvement of said lands or facilities or similar nearby public facilities. All sub-leases or licenses entered into by the sponsoring agency with third persons relating to accommodations or concessions to be provided for or at the OSLAD facility for benefit of the public shall be submitted to the Department, upon request, for its approval prior to the sub-lease or license being entered into or granted by the sponsoring agency.

m) Conflict of Interests

1) No official or employee of the local political subdivision who is authorized in his official capacity to negotiate, make, accept, or approve or to take part in such decisions regarding a contract or subcontract in connection with an approved OSLAD grant project shall have any financial or other personal interest in any such contract or subcontract.

2) No person performing services for the local political subdivision in connection with an approved OSLAD grant project shall have a financial

or other personal interest other than his employment or retention by that
local political subdivision in any contract or subcontract in connection
with an approved OSLAD grant project. No officer or employee of such
person retained by the local political subdivision shall have any financial
or other personal interest in any real property acquired under an approved
OSLAD grant project unless such interest is openly disclosed upon the
public records of the local political subdivision and such officer, employee
or person has not participated in the acquisition for or on behalf of the
local political subdivision.

n) The project sponsor certifies that it provides a drug free workplace and related
employee assistance as defined and required by the Drug Free Workplace Act [30
ILCS 105/16].

o) Pursuant to 775 ILCS 5/2-105(A)(4), the project sponsor certifies that it has a
written sexual harassment policy that includes, at a minimum, the following
information:

1) the illegality of sexual harassment;
2) the definition of sexual harassment under State law;
3) a description of sexual harassment utilizing examples;
4) the contractor's internal complaint process, including penalties;
5) the legal recourse, investigation and complaint process available through
the Illinois Department of Human Rights and the Human Rights
Commission and directions on how to contact both; and
6) protection against retaliation as provided by Section 6-101 of the Illinois
Human Rights Act [775 ILCS 5/6-101]. A copy of the policy shall be
provided to the Department of Human Rights upon request.

p) Program Violations and Project Termination

1) The State will unilaterally rescind project agreements at any time prior to
the commencement of the project in the event that State funds are not
appropriated for the grant program. After project commencement,
agreements may be rescinded, modified or amended only by mutual agreement with the local political subdivision. A project shall be deemed to be commenced when the local political subdivision makes any expenditure or incurs any obligation with respect to the project.

2) Failure by the local sponsoring agency to comply with any of the program terms listed in this Section shall be cause for the suspension of all grant assistance obligations, unless, in the judgement of the Department, such failure was due to no fault of the local sponsoring agency (e.g., statutory changes, acts of God).

Section 3035.70 Program Compliance Requirements
DEPARTMENT OF NATURAL RESOURCES

NOTICE OF PROPOSED AMENDMENTS

a) The land to be used in development of boat access areas must be owned in fee simple or leased by the Local Agency. The Local Agency must provide proof of ownership or lease before plans for the facility can proceed. The term of the lease is determined by the amount of the contract.

b) For projects receiving assistance to acquire land for a boat access area, an acquisition of the project property must be completed within nine (9) months following project approval, with the exception of those involving eminent domain. An independent appraisal must be completed by the sponsoring agency and certified by the Department to establish a fair market value for the project property. The appraisal must be completed to Department specifications. Title to any property for which grant reimbursement is sought shall not be taken nor payment made for such property by the sponsoring agency before Department approval is received. Grant payment shall be limited to no more than 90% reimbursement of the certified fair market value and in no case shall exceed actual cash payment for the property.

c) Land acquired with grant assistance must be subsequently developed as a public boat access area in general accordance with the approved project application proposal within three (3) years following the date title is secured for the property. Failure to improve the property for such use within the three (3) year time period shall result in the property being considered "converted" from its intended use necessitating remedial action, as specified in subsection (p) by the Local Agency.

d) The Local Agency is required to enter into a Standard Agreement with the Department in an amount agreed upon by the Local Agency and the Department as that necessary to complete the Department's share of project costs. Any costs incurred in the development and construction of the facilities in excess of the specified amount shall be paid by the Local Agency.

e) The Local Agency shall employ a competent engineering or architectural firm to develop necessary plans and specifications and to provide all other necessary design and construction supervision services for an approved project. Any engineering or architectural agreement or contract must be approved by the Department prior to its acceptance by the Local Agency. The Department shall approve the agreement or contract based upon the design fee, the construction cost, and the project complexity. The Department may waive this requirement if
DEPARTMENT OF NATURAL RESOURCES
NOTICE OF PROPOSED AMENDMENTS

the Local Agency possesses duly licensed and qualified in-house engineering and/or architectural staff capable of performing such services.

f) If the Local Agency, by its unilateral action, terminates the project at any point short of its completion, the Local Agency shall be liable for all costs incurred and all monies forwarded to the Local Agency related to the project. The Local Agency shall agree to indemnify the Department and hold it harmless from any and all liability.

g) The Local Agency shall present to the Department, upon request, all plans, specifications, contracts or documents and cost estimates for all work to be done by a specified date. If this date cannot be met, it will be the responsibility of the Local Agency to show cause in writing to the Department. The plans and specifications shall contain the seal and signature of a registered Professional Engineer or Architect as the case may be. The Local Agency shall provide documentation to the Department, upon request, that advertised bids were published for all work to be completed through public letting for competitive bids and all bidding tabulations shall be submitted to the Department, upon request, for approval of the lowest qualified bid. The Department shall approve the Local Agency's recommendation of the lowest qualified bid provided it does not exceed approved project funding and it is within the engineer's estimate. The Local Agency shall thereafter certify their approval of the lowest qualified bid at their next regular meeting following approval by the Department. The Local Agency shall be responsible for the completion of the project within the time period specified in the contract.

h) The Local Agency shall insert as an integral part of any contract with the approved bidder the following provisions:

1) That the Contractor shall abide by and comply with all applicable Local, State and Federal laws in connection with contracts involving public funds, the construction or development of public buildings, works or facilities.

2) That the Contractor shall furnish to the Local Agency and the Department, upon request, performance bonds(s) with surety or sureties, with penalty or loss clauses, relating to the construction of the proposed facilities and any losses or damages arising out of, or by virtue of said construction by the Contractor of the specified boat launching facilities,

insuring, benefitting and protecting the Local Agency and the Department.

3) That the Contractor shall personally and individually, agree to furnish evidence of insurance, to indemnify, protect, defend at its own cost, and hold harmless the Local Agency and the Department from and against all losses, damages, injuries, costs, expenses or claims thereof to or by persons or property, arising out of, through, under or by virtue of the construction and development of the specified boat launching or access facilities.

4) That the Contractor shall furnish progress or pay estimate reports to the Local Agency and the Department at thirty (30) day intervals indicating:

A) Units of work completed, and

B) Percentage of work completed for thirty (30) day period and to date.

i) Upon the Department’s receipt of each progress report or pay estimate submitted by the Local Agency which is within the scope of the contract, the Department shall issue payment.

j) The Local Agency shall agree to display a Boat Access Area Development grant program sign provided by the Department at the project site for the period of time so indicated in Section 3035.70(q). The Local Agency may substitute a comparable sign of its own design if approved by the Department.

k) The Local Agency will notify the Department prior to the beginning of any construction. A Department representative may make inspections of the project as construction progresses and be available for assistance upon request. A final inspection of the completed project must be made by the Department prior to final grant payment to the Local Agency.

l) The Local Agency shall indemnify, protect, defend and hold harmless the Department from any and all liability, costs, damages, expenses, or claims thereof arising under, through or by virtue of the construction, operation and maintenance of the proposed boat launching and access facilities.

3) Illinois Department of Transportation (Division of Highways).

4) Environmental Protection Agency.

5) Illinois Historic Preservation Agency.

6) Local Building or Zoning Agencies, or Boards, where applicable.

n) The Local Agency agrees to comply with the Recreational Area Licensing Act [210 ILCS 95] and the Environmental Barriers Act [410 ILCS 25].

o) The Local Agency shall agree to abide by the following Operation and Maintenance provisions:

1) General.

   A) Operation and maintenance of the grant project facility is the responsibility of the Local Agency. The boat launching and access facilities shall be continuously operated and maintained by the Local Agency at no cost to the Department and shall be operated and utilized in such a manner as to maximize the intended benefits to and for the general public.

   B) All land and water areas which are open to the public shall be available for use and enjoyment by the public without regard to race, color, sex, national origin, age or disability. No lessee or licensee of an area under a concessionaire providing a service to the public, including facilities and accommodations, shall discriminate against any person or persons because of race, color, sex, national origin, age or disability in the conduct of its operation under the lease, license or concession agreement.
DEPARTMENT OF NATURAL RESOURCES

NOTICE OF PROPOSED AMENDMENTS

C) No improvements, alterations or modifications of these facilities shall be permitted except with the prior approval in writing by the Department. Approval will be given by the Department if the improvements, alterations or modifications comply with the criteria in Section 3035.50.

D) The Department shall have access to all facilities at all times to ensure management and use of such facilities are in compliance with specified program regulations.

E) Boats with gasoline or diesel motors shall not be prohibited from using any facility funded through State Boating Act Funds to launch and recover unless the facility is a designated canoe launch facility as approved by the Department.

2) User Fees.

A) The Department discourages the charging of user fees; however, the Local Agency may, by formal resolution of the governing unit, charge minimal fees to offset operation and maintenance, security, and public health and safety costs.

B) In the case of locally owned water impoundments the incurred costs to be offset may also include navigational aids, rescue aids, water patrol and other related costs which are absolutely necessary.

C) No other costs will be allowed in calculating the minimal fee. Any discretionary fee for special services which is not a part of the project funded from Marine Motor Fuel Tax Revenue, such as boat slips, moorings or other services that cannot be used by all boaters, shall be levied separately.

D) The setting, administering and justifying of the fees to the general public is primarily the responsibility of the Local Agency. The Department reserves the right to ensure that any fee is within the scope of the contract.

E) The Local Agency shall maintain accounting records to explain
DEPARTMENT OF NATURAL RESOURCES

receipt and deposition of all fees related to the launching facility and the Department may request or audit such records at anytime to ensure the revenue received from the fees is being used to operate and maintain the facility. All financial records on approved projects must be maintained and retained, in accordance with State laws, by the project sponsor for possible State audit after final reimbursement payment is made by the Department.

F) If fees are determined necessary by the Local Agency, the charging of reasonable daily fees as well as seasonal use fees shall be provided to assure that the occasional user is afforded access to the waters served by the facility. In the event the boat access facility is within the boundaries of a public park or recreational area, no annual fee shall be required non-park district residents using only the boat launching facility constructed or improved with the aid of this grant. However, a daily fee may be required by the Local Agency provided it does not exceed the annual park district fee for residents, computed on a daily basis.

DEPARTMENT OF FINANCIAL AND PROFESSIONAL REGULATION

NOTICE OF ADOPTED AMENDMENTS

a) A therapist must not perform, nor pretend to be able to perform, professional services beyond his/her scope of practice. A therapist must not misrepresent credentials, degrees, professional associations, or competencies either through spoken word or written materials. A therapist must immediately retract or correct any misrepresentation. A therapist must correct misrepresentations by third parties as soon as the therapist is informed of the error.

b) A therapist must not permit an intern or trainee under the therapist's supervision to perform, or to pretend to be competent to perform, professional services beyond the trainee's or intern's level of training. Disclosure of the intern's status and the name of the supervisor is required. A waiver of liability signed by the client is required when a marriage and family therapy intern or trainee is treating the client.

c) Therapists must recognize the potentially influential position they may have with respect to clients, students, employees and supervisees. Therapists must conduct themselves with sensitivity to clients' potential vulnerability. Therapists should avoid exploiting clients' trust and dependency. Therapists must also make every effort to avoid dual relationships with clients during treatment and following termination of therapy. When a dual relationship cannot be avoided, therapists must take appropriate professional precautions to ensure judgment is not impaired and no exploitation occurs. Examples of dual relationships include but are not limited to close personal friendships, business or other relationships that are used to further a therapist's own interests, or the provision of therapy to students, employees, or supervisees. Sexual intimacy between therapist and client, students or supervisees is prohibited. Sexual intimacy with former clients is prohibited for at least two years after termination of treatment.

d) A therapist must not engage in sexual or other harassment or exploitation of students, trainees, employees, colleagues, research subjects, actual or potential witnesses or complainants in legal or ethical proceedings.

e) A therapist who is convicted of any crime related to his/her qualifications or professional responsibilities may be subject to disciplinary action by the Department. Likewise, a therapist who engages in conduct which could lead to conviction of a crime related to his/her qualifications or professional responsibilities may be subject to disciplinary action.
f) A therapist who becomes impaired and unable to function according to the standards of practice may be subject to disciplinary action if an active practice continues. Causes of impairment may include, but are not limited to, the abuse of mood altering chemicals and physical or mental problems.

g) It is the responsibility of therapists to seek supervision and/or personal therapy for any problem that is interfering with their ability to perform their professional services.

h) A therapist must not subject a client to discrimination based on race, gender, religion, national origin, political affiliation, social or economic status, choice of lifestyle, sexual or affectional orientation.

i) A therapist must inform a client of any conflict of interest, values, attitudes, or biases between them that are sufficient to impair their professional relationship. Either the client or the therapist may terminate the relationship. However, it is the therapist's responsibility to terminate the professional relationship when it no longer serves the client's needs or interests. It is the responsibility of the therapist to facilitate termination and to assist in referring the client to another professional. Termination should be handled with care and sensitivity.

j) A therapist has the responsibility to be informed of other professional, technical, and administrative resources available to clients. A therapist must utilize those resources and/or refer clients when it is in the best interests of the client.

k) A therapist must make a referral upon client request regardless of administrative and/or funding mandates.

l) A therapist must not allow an individual or agency paying for the professional services to a client to exert undue influence over the therapist's work performance and clinical judgment.

m) A therapist must offer all facts regarding services rendered to the client prior to administration of professional services. The purpose of informed consent is to insure client's complete access to information pertaining to professional services. Examples include, but are not limited to, fees for services, length of treatment and utilization of consultants. The client's signature indicating receipt of pertinent information is strongly encouraged.
DEPARTMENT OF FINANCIAL AND PROFESSIONAL REGULATION

n) A therapist must not provide services to a client when the therapist's objectivity or effectiveness is impaired. The therapist must make this known to the client and assist the client in obtaining a referral to another professional.

4) When a written waiver of confidentiality has been obtained, all information revealed must be in accordance with the terms of the waiver. If there is more than one party involved in the therapy, the waiver must be signed by all members legally competent to execute such a waiver.

5) When release of information pertaining to a minor is requested, it must be signed by a parent or guardian.

q) Therapists are responsible to insure that all records and written data are stored using security measures that prevent access to records by unauthorized persons.

Ongoing problems have brought about an increase in both the educational and experience requirements mandated by the federal government. Without the education and experience criteria changes contained in these rules, appraisers certified by Illinois after January 1, 2008 will not be allowed to do appraisal work for federally related transactions (the overwhelming majority of loan transactions), including programs under Fannie Mae, Freddie Mac, banking mortgage and loans insured by the FDIC or HUD, and many other appraisal functions that require certified appraisers in good standing. All appraisers currently licensed in Illinois will be able to maintain their current level of certification, but new applicants and current licensees wishing to upgrade their level of licensure will be required to meet the more stringent standard.

b) Parental Information/Consent

2) All hospitals shall provide information about newborn hearing screening to the parents/guardians considering refusal, that shall include: the purposes and benefits of newborn hearing screening, indications of hearing loss, what to do if the parent/guardian suspects a hearing loss, and procedures used for hearing screening.

c) Documentation

1) The hospital shall provide written information to all parents giving birth or transferred to its facility and to the infant's primary care provider, when

1) When an applicant appears at one of the designated Driver Services facilities and provides the necessary documents to prove identity and legal presence, a facility employee will begin the process by initiating an automated inquiry via the SAVE Program to verify the information on the USCIS documents. Upon receipt of a verification response from the SAVE Program, the facility employee will begin the TVDL application process. If the facility employee receives the response of "initiate additional verification" , additional information is submitted to USCIS via the SAVE Program and copies of the applicant's documents are forwarded to the Central Unit for monitoring. The applicant will be advised that he or she will receive written notification from the Central Unit regarding his or her eligibility for a TVDL.

2) A response to a 2nd request for verification of USCIS documents via the SAVE Program generally takes 3-5 days. Upon receipt of a response from the 2nd verification request via the SAVE Program, the Central Unit will send a letter to the applicant informing him or her of his or her eligibility or ineligibility for a TVDL.

3) If the Central Unit receives a response of "Need Copies of Docs" from USCIS via the SAVE Program, a third, manual verification process must be completed. This requires photo copies of the documents submitted for identification, accompanied by a USCIS G-845 Form (request for verification of documentation of alien status), to be forwarded to the Department of Homeland Security, Citizenship and Immigration Services Office in Chicago, Illinois. Upon receipt of a written response from USCIS, the Central Unit will send a letter to the applicant informing him or her of his or her eligibility or ineligibility for a TVDL.

AUTHORITY: Implementing and authorized by Section 15-177 of the Illinois Pension Code [40 ILCS 5/15-177].

SUBPART A: MISCELLANEOUS PROCEDURES
Section 1600.122 Employer Contributions for Benefit Increases Resulting from Earnings Increases Exceeding 6%

Purpose. This Section implements 40 ILCS 5/15-155(g), (h), (i), (j), and (k).

a) Calculation of the Employer Cost. This calculation is made where a monthly benefit is calculated from the participant's final rate of earnings (FRE). The monthly benefit exceeds the "Base Amount", the "present value of the increase in benefits" described in Section 15-155(g), called the "Employer Cost", will be calculated as follows:

1) The "Base Amount" is calculated by limiting earnings, as defined in Section 15-111, for every academic year in the FREfinal rate of earnings period, as defined in Section 15-112, are adjusted on a full-time equivalent basis to 106% of the earnings paid in the prior academic year.

A) 48 Month FREs and Partial Academic Years. Where the final rate of earnings for a participant is the average annual earnings during the 48 consecutive calendar month period ending with the last day of final termination of employment, any partial academic year at the beginning of the final rate of earnings period will be disregarded.

B) Full-Time Equivalent (FTE) Basis.

i) The System shall adjust earnings from an employer in a manner consistent with the percent time employed reported by the employer.

ii) The FTE earnings of an academic year shall equal the total earnings in the academic year divided by the average percent time of employment.

C) Earnings credited during periods of service purchased under Sections 15-113.1 through 15-113.7 shall be determined on a FTE basis.
STATE UNIVERSITIES RETIREMENT SYSTEM

NOTICE OF ADOPTED AMENDMENT

D) For the purpose of Section 15-155(g), earnings do not include payments made under a collective bargaining agreement for unused sick leave or payments made for unused vacation.

2) The FTE earnings of each academic year in the FRE period are limited to 106% of the previous academic year's FTE earnings to yield the "Capped FTE Earnings" of each academic year. If the participant had employment with more than one employer during the final rate of earnings period, the monthly benefit and the base amount are calculated separately for each employer using only the earnings with that employer.

3) The Capped FTE Earnings of each academic year are multiplied by the respective average percent times of employment to yield the "Capped Earnings" for each academic year. The Capped Earnings shall be used to determine the "Capped FRE". The Base Amount is subtracted from the monthly benefit to determine the "Benefit Increase".

4) The "Benefit Increase" shall equal the difference between the FRE and the Capped FRE, multiplied by the number of years of service, and further multiplied by 2.2%.

5) The "Employer Cost" equals the actuarial present value of the Benefit Increase. This actuarial present value calculation will be made by using actuarial tables provided by the System's actuary from time to time. The actuarial table used will correspond with the type of monthly benefit that is provided to the participant. A single-life annuity table will be used where a Traditional Benefit Package participant has no eligible survivor at the time of retirement. If the participant had employment with more than one employer during the final rate of earnings period, the Employer Cost is calculated for each employer using only the earnings with that employer. However, no Employer Cost will be assessed among multiple, concurrent employers if the increase in total earnings for the concurrent academic year in the FRE period does not exceed 6% over the total earnings of the previous academic year.

b) Employer Billing.

1) Billing. Whenever it determines that a payment is or may be required under Section 15-155(g), the System shall calculate the amount of the
 payment and bill the employer for the amount. The bill shall specify the calculations used to determine the amount due. Initial Notice. After finalizing a participant's benefit, the System will send a notice to an employer containing the Employer Cost and the earnings from which the Employer Cost was derived. The notice will state that employer will be billed for the Employer Cost with respect to the participant's benefit on the 15th day (or the following business day if the 15th day falls on a holiday or a weekend) of the second calendar month following the date of the notice. For example, if the notice is dated January 10, 2006, the employer will be billed on March 15, 2006.

2) Request for Recalculation. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify the grounds of the dispute and, if the employer asserts the calculation is subject to Section 15-155(h) or 15-155(i), must include an affidavit setting forth and attesting to all facts within the employer's knowledge that are pertinent to the applicability of Section 15-155(h) or 15-155(i). Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due. The employer will have 30 days from the date of the notice during which it may contest the earnings stated in the notice pursuant to the administrative hearing procedures set forth in Section 1600.80 of this Part as if the employer were a "participant, annuitant, or beneficiary" under that Section.

3) Payment. The employer contributions required under Section 15-155(g) may be paid in the form of a lump sum within 90 days after the receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's prescribed rate of interest (defined under Section 15-125(1)) compounded annually from the 91st day after the receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill. [40 ILCS 5/15-155(g)][Billing. The bill for the Employer Cost will be sent on the 15th day (or the following business day if the 15th day falls on a holiday or a weekend) of the second calendar month following the date after the notice. The employer must pay the lump-sum amount specified in the bill within 30 days after its receipt, except as to any contested amounts. The employer must pay any contested amount within 30 days after a final non-appealable decision.
c) Exclusions for earnings increases paid on or after June 1, 2005, but before July 1, 2011, under Section 15-155(h).

1) Grandfathering. When assessing payment for any amount due under Section 15-155(g), the System shall exclude earnings increases paid to participants under contracts or collective bargaining agreements entered into, amended, or renewed before June 1, 2005. [40 ILCS 5/15-155(h)] does not apply to earnings increases paid to participants under contracts or collectively bargained agreements entered into, amended, or renewed before June 1, 2005. Such contracts are "grandfathered". For the purposes of Section 15-155(h) this Section:

A1) A contract or collective bargaining agreement is "entered into, amended or renewed," on the earliest of the following:

iA) the date the governing body of the employer voted to accept the contract or collective bargaining agreement;

iiB) the date the contract or collective bargaining agreement was executed in final form by the parties; or

iiiC) the date the parties to the contract or collective bargaining agreement reached a tentative agreement regarding the terms of the contract or collective bargaining agreement, provided and that the tentative agreement is subsequently approved by the governing body of the employer on or after June 1, 2005, without any changes to the terms, other than pursuant to modifications that do not have the effects described under subsection (c)(1)(B)(i) or (c)(1)(B)(ii) alter the grandfathered status of the contract or collective bargaining agreement.

B2) A contract or collective bargaining agreement will not exempt earnings increases paid under the contract or agreement if the contract or agreement is amended or renegotiated after June 1, 2005, to have the effect of:
STATE UNIVERSITIES RETIREMENT SYSTEM

NOTICE OF ADOPTED AMENDMENT

iA) increasing the earnings usable for the FRE (except where the increase is the result of a salary reopener provision, which provision was a part of the contract or collective bargaining agreement prior to June 1, 2005); or

iiB) extending the expiration date of the contract (in such case, the earnings will be excluded only through the original expiration date of the contract).

C3) Miscellaneous

i) A contract exception made by an employer for an individual shall disqualify that individual's earnings increases from grandfathering but shall not invalidate the grandfathering for any other persons.

ii) A memorandum of understanding between the employer and the collective bargaining unit to increase the credit hours available shall not invalidate the contract, but any earnings increases because of the increased credit hours shall not be excluded from the calculation under subsection (a) of this Section, unless Section 15-155(h) or 15-155(i) applies.

iii) When a member has given notice to the employer of his or her intent to retire pursuant to the terms of a grandfathered contract or collective bargaining agreement, earnings provided under the contract or collective bargaining agreement shall be excluded so long as the earnings are provided to the member within four years after the expiration date of the contract or collective bargaining agreement.

iv) Notwithstanding the above, earnings paid under a grandfathered contract on or after July 1, 2011 shall not be excluded from earnings under subsection (a). A contract exception made by an employer for an individual shall remove that individual's earnings increases from the exemption but shall not invalidate the contractual
exemption for any other persons. A memorandum of understanding between the employer and the collective bargaining unit to increase the credit hours available shall not invalidate the contract, but any earnings increases because of the increased credit hours shall not be exempt from the calculation under subsection (a) of this Section.

4) When a member has given notice to the employer of his or her intent to retire pursuant to the terms of a grandfathered contract or collective bargaining agreement, earnings provided pursuant to the contract or agreement shall be exempt from employer contributions so long as the earnings are provided to the member within four years after the expiration date of the contract or collective bargaining agreement, unless a different time period is otherwise specifically provided for in the contract or collective bargaining agreement and the time period was a part of the contract or agreement prior to June 1, 2005.

2) Earnings 10 Years Prior to Retirement Eligibility. When assessing payment for any amount due under Section 15-155(g), the System shall exclude earnings increases paid to a participant at a time when the participant is 10 or more years from retirement eligibility under Section 15-135. [40 ILCS 5/15-155(h)] Earnings increases paid in academic years preceding and including the academic year during which the participant was 10 years from attaining his or her earliest retirement eligibility shall be excluded.

3) Overloads and Overtime

A) Earnings increases resulting from overload work, including a contract for summer teaching, or overtime when the employer has certified to the System, and the System has approved the certification, that:

i) in the case of overloads:

- the overload work is for the sole purpose of academic instruction in excess of the standard number of instruction hours for a full-time
employee occurring during the academic year that the overload is paid; and

- the earnings increases are equal to or less than the rate of pay for academic instruction computed using the participant’s current salary rate and work schedule; and

ii) in the case of overtime, the overtime was necessary for the educational mission. [40 ILCS 5/15-155(h)]

B) The certification shall be in the form adopted by the System and be signed by a duly authorized representative of the employer. The certification must be accompanied by supporting documentation as required by the form.

C) The standard number of instruction hours for a full-time employee shall be consistent with employer policy in force for the academic year in which the overload earnings were earned.

4) Promotions

A) When assessing payment for any amount due under Section 15-155(g), the System shall exclude earnings increases resulting from:

i) a promotion for which the employee moves from one classification to a higher classification under the State Universities Civil Service System;

ii) a promotion in academic rank for a tenured or tenure-track faculty position; or

iii) a promotion that the Illinois Community College Board has recommended in accordance with Section 15-155(k).

B) The earnings increases referenced in subsection (c)(4)(A) shall be excluded only if the promotion is to a position that has existed and been filled by a member for no less than one complete academic year and the earnings increase as a result of the promotion is an
NOTICE OF ADOPTED AMENDMENT

increase that results in an amount no greater than the average salary paid for other similar positions. [40 ILCS 5/15-155(h)]

C) The employer shall certify that the promotion is to a position that has existed and been filled by a member for no less than one complete academic year and the earnings increase as a result of the promotion is an increase that results in an amount no greater than the average salary paid for other similar positions. The certification shall be in the form adopted by the System and be signed by a duly authorized representative of the employer. The certification must be accompanied by supporting documentation as required by the form.

D) The phrase "an amount no greater than the average salary paid for other similar positions" shall mean the midpoint of the salary range for the position or similar positions as most recently approved by the Merit Board of the State Universities Civil Service or the current average salary paid for tenured or tenure-track faculty positions in the same department, as the case may be.

d) Exclusions for earnings increases described in Section 15-155(h) paid on or after July 1, 2011, but before July 1, 2014, under a contract or collective bargaining agreement entered into, amended, or renewed on or after June 1, 2005, but before July 1, 2011, under Section 15-155(i). For the purpose of Section 15-155(i), a contract or collective bargaining agreement is "entered into, amended or renewed" on the earliest of the following:

1) the date the governing body of the employer voted to accept the contract or collective bargaining agreement;

2) the date the contract or collective bargaining agreement was executed in final form by the parties; or

3) the date the parties to the contract or collective bargaining agreement reached a tentative agreement regarding the terms of the contract or collective bargaining agreement, provided that the tentative agreement is subsequently approved by the governing body of the employer on or after July 1, 2011, without any changes to the terms that have the effect of extending the expiration date.
STATE UNIVERSITIES RETIREMENT SYSTEM

NOTICE OF ADOPTED AMENDMENT

e) The exclusions under subsections (c) and (d) shall not apply to earnings increases paid after June 30, 2014.
