**Mendota Driver Services Facility Closed Until August 12**

Out of an abundance of caution, the Mendota Driver Services Facility (108 E. 12<sup>th</sup> St.) is closed until August 12 as a precaution because of an employee who tested positive for COVID-19.

The Illinois Department of Public Health has been consulted. Employees who work at the facility are being quarantined for 14 days and the facility is being cleaned and sanitized according to CDC guidelines.

As a reminder, Secretary of State Jesse White has extended all expiration dates to Nov. 1, 2020 for driver's licenses/ID cards and license plate stickers so customers do not need to rush into Driver Services facilities.

White encourages people to conduct business online at [www.cyberdriveillinois.com](http://www.cyberdriveillinois.com) such as renewing license plate stickers, obtaining replacement driver's licenses/ID cards as well as safe driver renewals.

For customers who decide to visit a facility, masks are required and people are advised to come prepared to wait outside in various weather conditions. Due to social distancing, the number of people allowed inside a facility at one time is limited.

Drivers can visit the nearest facilities which include: Sterling at 1224 W. 4<sup>th</sup> St., Princeton at 225 Backbone Rd. East and LaSalle at 536 Third St.
