Also contained are samples of the various forms needed, along with instructions on completing them, so your organization can comply with the rules. For reporting purposes, an updated list of position titles deemed to be “officials” also is included.

My office will be happy to assist you with any questions or concerns you have about lobbyist registration and disclosure. Please contact the Index Department at 217-782-0643.

REGISTRATION INFORMATION

WHO SHOULD REGISTER?

The Illinois Lobbyist Registration Act applies to any person who, for compensation or otherwise, either individually or as an employee or contractual employee of another person, undertakes to influence executive, legislative or administrative action; and any person who employs another person for the purposes of influencing executive, legislative or administrative action (25 ILCS 170/3). You are required to register if you pay wages or salary to employees who lobby on your behalf (even if this is a small portion of their position) and/or if you hire lobbyists on a contractual basis.

The Secretary of State does not have the authority to determine whether an individual’s activities fall within the purview of the Act.

DEADLINES

Registration is required by Jan. 31 of each calendar year during which lobbying activity will occur, regardless of the date on which an individual registers, or within 10 days of a lobbying agreement.

FEES

The registration fee is $50 for each lobbying entity and $50 for each registered lobbyist. However, a self-employed independent contract lobbyist who does not lobby under an assumed business name and who does not have any employees engaged in lobbying activities may submit a single annual fee of $50 and need not pay an entity fee.

Note: Registration fees are non-refundable and non-transferable.

AMENDMENTS

If changes to the initial registration need to be made, complete the appropriate section of the Illinois Entity Registration Statement along with the date and the signature of the authorized agent and submit to the Secretary of State’s Index Department. (See Table of Contents for mailing address, fax number and Web site address.)

EXECUTIVE ACTION: The proposal, drafting, development, consideration, amendment, adoption, approval, promulgation, issuance, modification, rejection or postponement by a state entity of a rule, regulation, order, decision, determination, contractual arrangement, purchasing agreement or other quasi-legislative or quasi-judicial action or proceeding.

LEGISLATIVE ACTION: The development, drafting, introduction, consideration, modification, adoption, rejection, review, enactment, or passage or defeat of any bill, amendment, resolution, report, nomination, administrative rule or other matter by either house of the General Assembly or a committee thereof, or by a legislator. Also, the action of the Governor in approving or vetoing any bill or portion thereof, and the action of the Governor or any agency in the development of a proposal for introduction in the legislature.

REPORTING INFORMATION

WHO SHOULD FILE?

Any lobbying entity registered with the Secretary of State Index Department is required to file expenditure reports for each calendar year registered.

The entity’s authorized agent should file one combined report for all lobbyists registered exclusively under that entity.

An expenditure report must be submitted even if there were no reportable expenditures incurred for that reporting period.

WHO REPORTS EXPENDITURES?

Who reports expenditures is determined by who actually paid for the expenditure. Specifically:

- If an expenditure is made by a registered entity or by that entity’s exclusive lobbyist, the expenditure is reported by the registered entity.

- If an expenditure is made by a contractual lobbyist and the lobbyist was not reimbursed by a client, the contractual lobbyist reports the expenditure.

- If an expenditure is made by a contractual lobbyist and the lobbyist was reimbursed by a client, the expenditure should be reported by the client.

DEADLINES

A semi-annual report is due by July 31 for expenditures incurred during the period of Jan. 1 - June 30, or the final day of the spring legislative session, whichever is later.

An annual report is due by Jan. 31 for expenditures incurred during the entire previous calendar year. The annual report is a cumulative report and should include expenditures from the semi-annual report.

Forms will be mailed to the authorized agent in advance of the reporting deadlines.
AMENDMENTS

If changes to a previously filed expenditure report need to be made, complete the necessary schedule(s) and appropriate section(s) on the Expenditure Summary Report. The report should be marked “amended” and include the date and notarized signature of the authorized agent.

NOTIFICATION OF OFFICIALS

Effective Jan. 1, 1999, any lobbyist who reports an expenditure is required to send two notifications to each official on whose behalf that expenditure is made during the reporting period:

At least 25 days prior to the filing deadline for the report, (Jan. 6 for the annual report and July 6 for the semi-annual), lobbyists shall notify each official for whom an expenditure will be reported. This notification should include the total amount of each expenditure, the date on which each expenditure was incurred and, if applicable, the subject matter of the lobbying activity. Lobbyists may either provide an official with a copy of the report or a separate notification pertaining to the expenditures of that official only (2 Ill. Adm. Code 560.371).

Within 30 days after a filing deadline (March 2 for the annual report and Aug. 30 for the semi-annual report), lobbyists shall again notify each official for whom an expenditure was reported. This notification should include the name of the registrant, the total amount of the expenditure, the date on which the expenditure occurred and, if applicable, the subject matter of the lobbying activity.

LATE FEES

Entities failing to file an expenditure report by the above deadlines will be subject to late fees. Any report received within 15 days after the deadline must include a $50 late fee. Any report received after 15 days of the deadline must include a $150 late fee.

FAILURE TO FILE

Lobbying entities are required to file all reports with the Index Department by the deadlines previously stated. If an entity fails to meet these deadlines, late filing fees will be assessed. A Notification of Filing Delinquency will be mailed to the authorized agent of the entity. Failure to respond to this notice shall result in notification to the Office of the Attorney General.

TERMINATION OF ENTITY REGISTRATION

Written notification of registration termination and a final expenditure report must be submitted to the Index Department.

**GRASS ROOTS LOBBYING EVENT:** Any organized activity sponsored by a registered entity intended to influence the action of officials by inviting participants to a proximity where officials are accessible. The entity must make participants aware of the Illinois Grass Roots Lobbying Statement.

**HONORARIUM:** A payment of money to a state official for an appearance or speech, excluding any actual and necessary travel expenses incurred by the member (and one relative) to the extent that those expenses are paid by any other person. *Section 2-110 of the Governmental Ethics Act (5 ILCS 420) prohibits members of the General Assembly from accepting any honorarium.*

**ITEMIZED:** Any individual expenditure exceeding $100.

It is necessary to complete and attach only the schedules containing the expenditures on this report.
1. The deadline for submitting semi-annual expenditure reports is July 31, for lobbying activities from January 1 through June 30. The deadline for submitting annual expenditure reports is January 31, for lobbying activities for the entire preceding calendar year.

2. Expenditure reports must be filed regardless of the amount of expenditures incurred for that reporting period. If you are reporting expenditures, the proper corresponding schedules must also accompany this report.

3. Late fees will be assessed for late filing of expenditure reports. Reports filed within 15 days after the filing deadline will incur a $50 late fee. A report filed after 15 days of a filing deadline will incur a $150 late fee.
