Agriculture is the bread and butter for many Illinois families and a mainstay of our economy. Illinois is the nation’s second-leading corn and soybean producer and a major producer of other agricultural commodities, including wheat, sorghum, pork, beef, milk, fruits, vegetables and hay.

To help promote the importance of agriculture among our youth, my office offers Saluting Agriculture License Plates. By purchasing a set of these plates you will help support agriculture education in public and private schools across the state. Proceeds from the sale of the plates go to the Agriculture Association Foundation, which funds agriculture education efforts in the classroom.

Saluting Agriculture plates provide a great way to display your support of agriculture and instilling in our youngsters a sense of pride and reverence toward Illinois farmers in sustaining our food supply in Illinois as well as across the country and abroad.

Secretary of State
