No refund or adjustment will be made for a change of choice or spacing after a plate has been ordered or if the request form is incorrectly completed. The Secretary of State’s office is authorized to recall a plate determined to be obscene or offensive.

All request forms should indicate whether you want the Secretary of State to assign one of your choices with the next available number if your exact request is unavailable.

If you wish to submit more than three requests, attach additional selections to the request form. If you want a space between letters, please indicate with a slash mark. An automatic space is required between letters and numbers.

If your exact 1st, 2nd and 3rd choices are not available, would you like the next plate number available in that series?

Illinois colleges and universities are diverse institutions of research, athletics and higher learning as well as centers for cultural exchange. With this in mind, it is an honor to recognize Illinois colleges and universities — their students, faculty, staff and alumni — by offering Illinois motorists Collegiate License Plates for their vehicles.

Southern Illinois University is one of the many colleges and universities participating in the Collegiate Plate Program. By purchasing a set of these plates, you will be helping support scholarships for students at the university while displaying your pride for your favorite school or alma mater. Vanity and personalized Southern Illinois University plates also are available so you can individualize your plates.

I encourage you to become a partner in higher education by supporting this unique source of financial aid for Illinois college students. I look forward to serving you.
