Vanity & Personalized Autism Awareness License Plates Request Form

Printed on recycled paper.

Printed by authority of the State of Illinois. April 2018 — 1 — VSD 813.3
Autism spectrum disorders affect an estimated 1.5 million Americans and has come to the forefront of our conscience as more children are being diagnosed with these communication disorders than ever before.

Thanks to the efforts of autism awareness organizations and support groups, we are now learning more about these developmental disorders and helping families tap the resources to help them identify and cope more effectively with their loved ones affected by autism spectrum disorders.

My office is pleased to join in the awareness effort by offering Autism Awareness License Plates. By purchasing a set of plates, you will contribute to the Autism Awareness Fund administered by the Illinois Department of Human Services for the distribution of grants for research, education, and awareness of autism and autism spectrum disorders.

I encourage you to join the awareness effort by displaying a set of these plates on your vehicle.
